Our Company ~ Click Systems, the Australian Showcase Company, is a provider of museum quality showcase solutions with over 30 years of expertise in showcase manufacture. We are a family owned manufacturing enterprise based in Victoria and proud to be associated with many of Australia's major exhibition institutions. In conjunction with the international experience and reputation of ClickNetherfield we bring together in Australasia unrivalled showcase design & engineering skills to provide our clients with state of the art showcases.

Some of our recent showcase projects include:-

- The Australian Journeys Gallery at the National Museum of Australia
 - The National Sports Museum at the MCG
- The J.T Wilson Museum of Human Anatomy at the University of Sydney
 - The Albury Regional Museum
 - The Members' Museum at the MCG
- The Royal Navy Heritage Centre at Garden Island in Sydney
 - The Australian Museum of Military Intelligence
- Various projects at the State Libraries of Victoria and Queensland.

References from previous projects

We pride ourselves on our capacity to deliver "best value for money" through a quality Australian made product delivered both on budget and on time on every occasion. For references we would invite you to directly contact any of the following clients, designers or contractors:-

- Stephanie Bull – National Museum of Australia Ph 02 6208 5407
- Commander Shane Moore – Navy Heritage Centre – Ph 02 9181 3308
- Brian Manns – Deputy Head of the Army History Unit – Ph 02 6266 2109
- J Martyn or B Cunningham at Cunningham Martyn Design – Ph 03 9428 2777
 - Lucy Bannyan at Bannyan Wood Design on Ph: 02 4456 4401
 - Romaine Teahan at Spatchurst Design on 02 9212 1644
 - Richard Lee-Porcher at ADS Solutions on Ph: 0439 648 243

Service Delivery Process

All of our showcases are manufactured here in our factory in Victoria. The showcases are our own design & compiled from either locally sourced and/or assembled materials. Where appropriate the showcases are either fully or partially assembled prior to delivery to site to ensure the most cost effective delivery, installation and assembly process.

Our Type 5 Budget Estimate: **\$6,000.00 per unit plus 10% GST ex factory**

All Avalon EL showcases are made to order to whatever dimensions suit your exhibition needs and in a wide variety of plinth designs to compliment the design of your exhibition.

Production Timeframe is generally about 8 weeks from date of order or as agreed in order to satisfy your exhibition requirements.

We look forward to working together to ensure a successful project

Doug Fordham ~ Click Systems
