

Gallery 20 ~ Exhibition Showcases

A demountable showcase system – ideal for travelling and permanent exhibitions

*(Image: **Transparent Things** ~ a National Gallery of Australia Travelling Exhibition in collaboration with Wagga Wagga Regional Art Gallery and the Thomas Foundation)*

The Gallery 20 Showcase system has been developed to provide Museums, Galleries and Libraries with a state of the art display medium. The showcases can be readily assembled for a static display or demounted for a travelling exhibition. The showcases consist of fully framed panels using narrow interlocking natural anodised aluminium extrusions. Following is a list of optional features that make our Gallery 20 range of demountable Museum quality Showcases clear market leaders:

6mm Panels available in:

- Abrasion Resistant Acrylic
- Clear Toughened Glass
- Clear Toughened "Low Iron" Glass
- Vinyl back Silver Mirror
- Sealed and Painted MDF/Hoop Pine
- Sealed and Veneered MDF/Hoop Pine
- Timber bases can have "drop in dress panels" painted, upholstered or PVC to cover plinth fixings

The Design allows for:

- Doors with concealed hinging
- Easy "Lift off" panels for access
- Hidden panel or door retention
- Abloy security locks if desired
- Stays for "Lift up" doors
- Adjustable shelving supports
- Internal LV Spotlights
- Interchangeable modular construction of panels
